

"Create Account" button creates a new game, and takes user to their Feed.

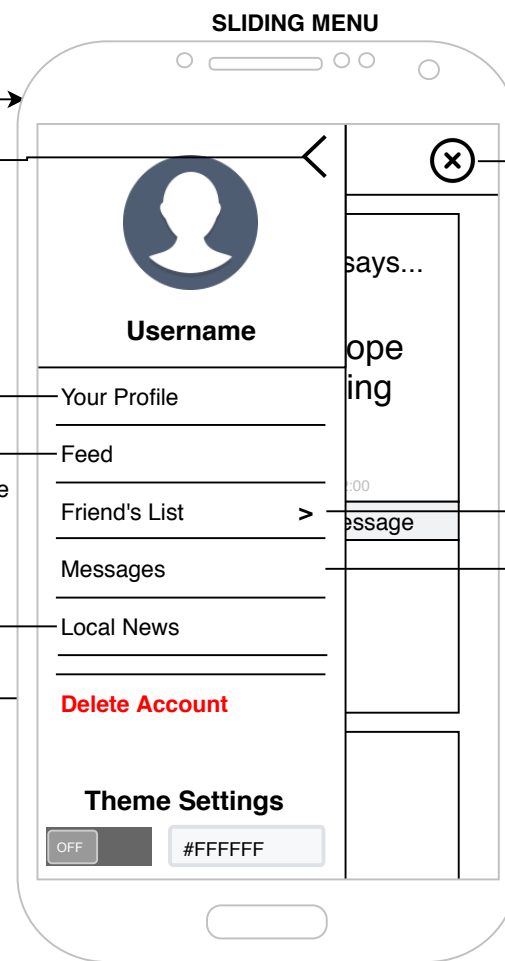

Hamburger icon opens menu.

Back icon collapses menu.

"Your Profile" takes you to your profile.

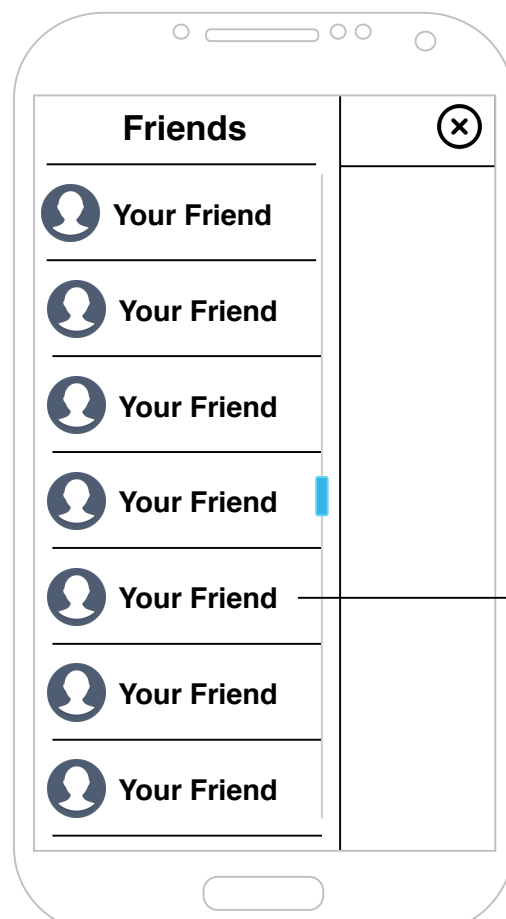

"Feed" returns you to the unfiltered Feed page.

"Delete Account" ends the game prematurely.

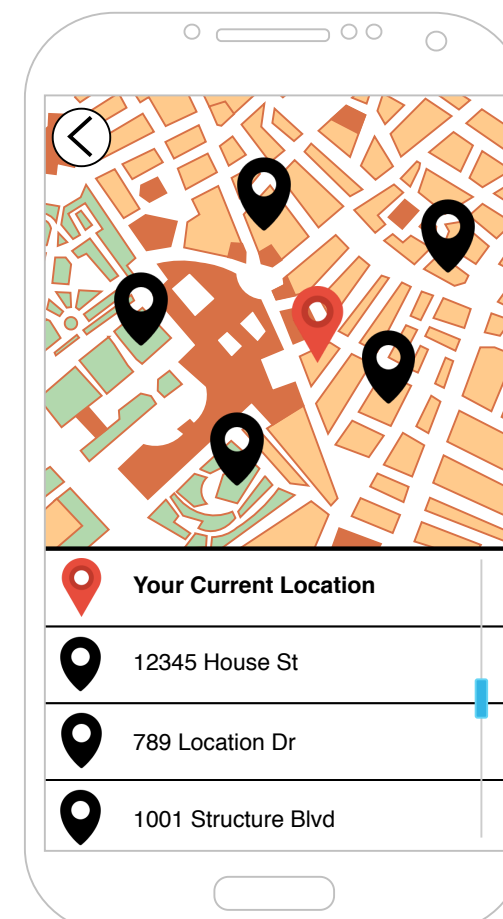

When viewing a Friend's profile, this icon removes them as a friend.

"Messages" takes you to the Messages page, where you can view messages between you and your friends.

This is a submenu that displays your Friends List.

Selecting a friend from the Friends List takes you to their profile, which is a filtered version of your feed that contains only their posts.

"Local News" takes you to the report of violent outbreaks in your area - IE, locations where your friends have been fully infected.
