

NEW GAME

"Create Account" button creates a new game, and takes the User to their Feed.

FEED/PROFILE (FILTERED) PAGE

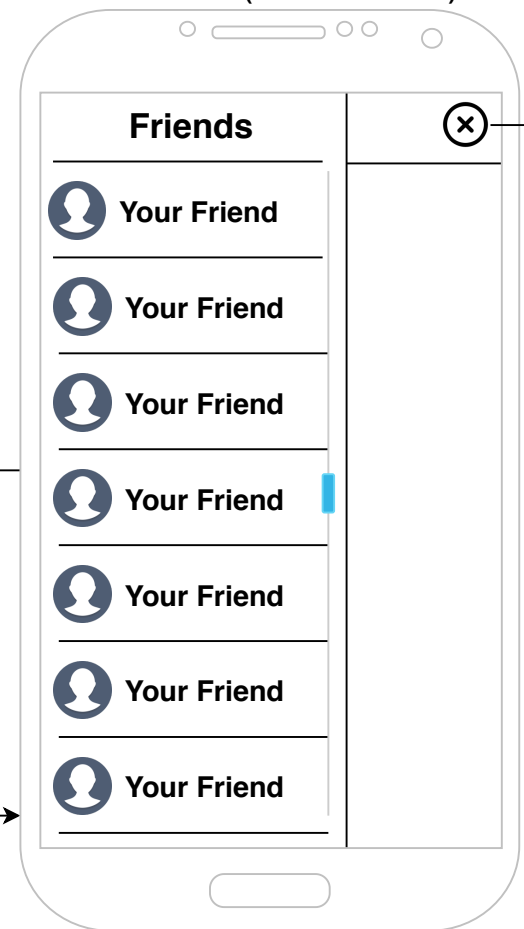

"Feed" returns the User to their unfiltered Feed page.

When viewing a Friend's feed, this button removes them as a Friend.

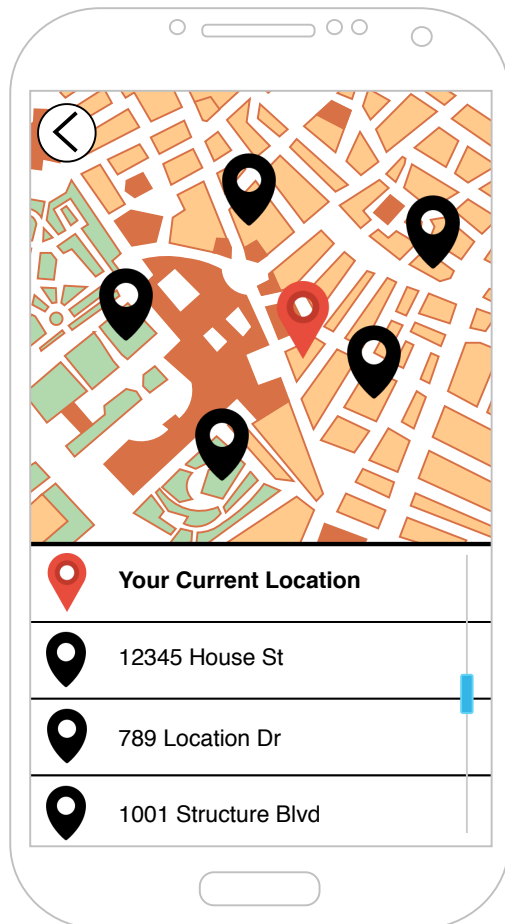

Selecting a Friend from the Friends List filters the Feed to show only posts by that Friend.

FRIENDS LIST (IN SLIDING MENU)

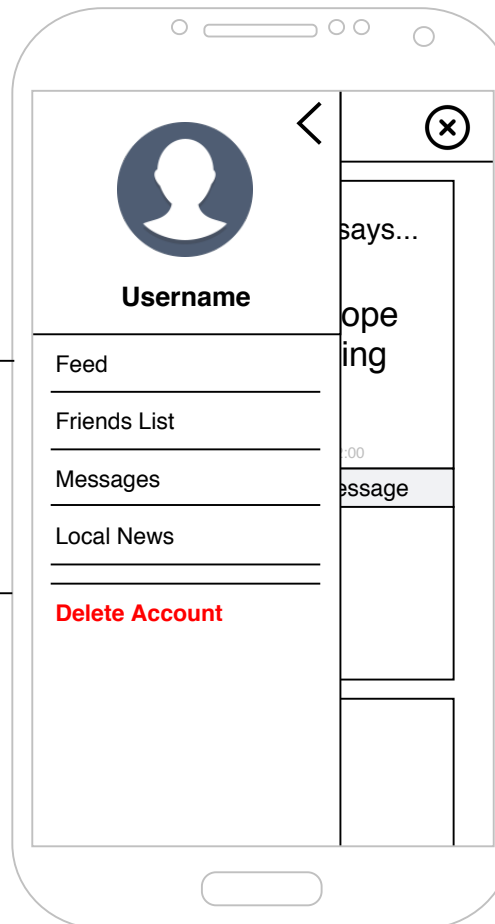

"Friends List" takes the User to a scrolling submenu displaying all of their Friends.

INFECTION MAP

"Local News" takes the User to the map which shows the "violent outbreak" report - IE, locations of fully infected Friends.

SLIDING MENU

"Messages" takes the User to the Messages page, which displays Messages between the User and their Friends.
